

## Information for Summer School in Social Economics

### **Sign in:**

On arrival you will be asked to sign in at the registration desk outside your main meeting room. Posters can be left with staff behind the desk.

You will also have the option to sign up to punting on Tuesday evening at this point. This is not being formally organised, however, Scudamores will be notified to expect a group of you to go down. The cost of this should be settled on an individual basis. The price of this is approximately £12 per person for a chauffeured tour.

Also included on this will be a column to indicate whether you would like to attend the barbeque which has been organised for Wednesday evening. This dinner will be £10 and if you wish to sign up for this, you will be liable to pay this charge beforehand on the Wednesday evening.

### **Meeting room:**

The main meeting room that you will be based in for the week will be Study Centre 10 which is in our main Study Centre building. This can be found on the map also included within your pack. On Wednesday evening, the poster session will take place in Study Centre 9, which again, is in our main Study Centre building and is very close to your main room.

### **Catering areas:**

Lunch will be served mainly from our milling area space in the Study Centre, just close to the main meeting room. The exception of this is Thursday lunch – this will be served in our main building restaurant on this day.

If you wish to order evening meals, you may order these from our Tower Lounge bar which is on the second floor of the main building.

### **For participants staying at the Møller Centre:**

For participants staying at The Møller Centre, breakfast will be served in our restaurant which is in our main building where all the accommodation is situated.

You may also order evening meals from our room service menu if you wish. These will be on a cash basis so can be charged back to your bedroom account or you can pay for these and any drinks in the bar.
